FOR IMMEDIATE RELEASE

Six minute video helps Navajo people realize negative impacts of Council reduction, line item veto authority

WINDOW ROCK, Ariz. – A six minute video titled, *Keep the 88: The Impacts of Council Reduction*, was released Nov. 25 in an effort to educate the Navajo people about the negative impacts of President Joe Shirley Jr.'s two petition initiatives – one to reduce the size of the Navajo Council from 88 to 24 members and another to give the Navajo President line item veto authority.

The video is educational and it is based on facts. Its intentions are to help Navajo people realize the impacts of the two initiatives. Navajo voters are encouraged to educate themselves about these impacts and to realize the seriousness of the proposed changes.

The video can be downloaded off the websites: www.keepthe88.org or www.youtube.com.
