Navajo Nation Council Summer Session to be streamed live on the web

WINDOW ROCK – The Navajo Nation Council Summer Session will once again be streamed live on the web through the Council’s designated USTREAM channel, beginning Monday, July 15.

“Once again, I am honored to invite Diné people from all corners of the world to tune into Council’s USTREAM channel to view Council’s proceedings throughout the duration of the Summer Session,” said Speaker Johnny Naize (Low Mountain, Many Farms, Nazlini, Tachee/Blue Gap, Tselani/Cottonwood).

The live broadcast marks the fifth time a regular Council session has been streamed live since the first broadcast during the 2012 Fall Session.

This is a great opportunity to engage our veterans overseas, students living off the reservation, and many others and to provide them the opportunity to become informed on issues affecting our Nation, said Speaker Naize.

The purpose of this endeavor is to expand and diversify the ways in which Diné citizens participate in their government – an objective for which many Council Delegates have advocated.

The Office of the Speaker continues its partnership with the Navajo Nation Office of Broadcast Services to provide this regular service to the Diné people.

Visit <http://www.ustream.tv/channel/navajo-nation-council> to view the live-streamed proceedings of the Council’s Summer Session. Alternatively, viewers may log onto the USTREAM home page and search for ‘Navajo Nation Council’ in the search box.
