FROM:

DATE: August 3, 2016

SUBJECT: Limited Mail Service August 2016

There will be limited mail service for the month of August 2016 due to budget constraints. The mail will be picked up every other day for the Navajo Nation Departments. If a mail is needed to be sent immediately for that day that there is no mail service, it is recommended at this time that the department's own staff handle the sending of the mail. We are sorry for this inconvenience, and mail service will return to a regular mail schedule for the month of September 2016. If there are any questions, please contact our Mail Delivery personnel; Alfred Mike at (928) 729-4275.
