The Shelly-Jim Administration to Host ‘Navajo Nation Commercial Tobacco-Free Day’ Rally on May 31st
‘Trash your commercial tobacco’

Crownpoint, NM—Navajo Nation President Ben Shelly and Vice President Rex Lee Jim announced today they are hosting a ‘Navajo Nation Commercial Tobacco-Free’ Rally in Window Rock on Tuesday. The rally is to help educate and encourage tobacco users to trash smoking or chewing commercial tobacco products.

The following Navajo Division of Health experts and tobacco-free educational information booths will be on-site and open to the general public:

- Health Education Program to provide commercial tobacco prevention education.
- Department of Behavioral Health Services to provide prevention activities on controlled substances, including commercial tobacco.
- Navajo Special Diabetes Project to conduct on-site diabetic screening and offer prevention education and information.

Time: 11:00 a.m. to 2:00 p.m.

Date: Tuesday, May 31, 2011

What: Garbage bins will be on-site to trash commercial tobacco products.

Where: Parking lot of the Navajo Nation Department of Transportation, at the corner of West Highway 264 and Route 12 in Window Rock, Arizona.
