## OPERATION 2010 SNOWFALL

### Number of High Risk Individuals Served

**Window Rock, AZ; February 3, 2010** - The Planning Section of the Emergency Operations Center (EOC) has identified the number of people served in seven (7) Police Districts as of Monday, February 01, 2010, during Operation 2010 Snowfall. The following is a rough estimate of information provided from the 7 districts:

Crownpoint	1,890
Tuba City	1,380
Window Rock	621
Kayenta	271
Dilkon	384
Shiprock	5,981
Chinle	<u>1,240</u>
Total	11,767

Window Rock Emergency Operation Center (EOC) assessed an additional 564 people. Red Cross assisted 112 people from of six chapters, distributed 4,750 blankets and 264 cots. Twelve individuals were provided with lodging.

Types of services provided included coordination of snow graders on residential roads to high risk individuals, air and ground deliveries, and coordination of supplies. Chapter Community Health Representatives were involved with identifying high risk individuals who needed medical assistance.

Donations of supplies were food, cords of wood, bags of coal and hay stored at 7 Navajo Police District's that served as Incident Command Posts for the EOC. The 7 ICP'S had a warehouse and a helipad for helicopter landing. When it came to distribution of supplies it was easier to coordinate from these warehouses.
