For Immediate Release: November 30, 2016

Electronic Communication From Students Now Limited to Empower Network

The Office of Navajo Nation Scholarship and Financial Assistance is discontinuing the use of email for students to submit documents or request information. Documents or inquiries will no longer be accepted via email. Applicants may submit documents and/or requests for information through their student accounts on the Empower network at www.onnsfa.org. This action is being taken to reduce the risk of student information being compromised.

To create a student account:

- Go to www.onnsfa.org
- Click on “Create an account”
- Set up an account with a desired user name and password.
- The account will be accessible immediately to allow students to view their document status.

To check your application status:

- Go to www.onnsfa.org
- Click on “Check my document status”
- Access your student account for a list of documents received/outstanding and retrieve award or denial notices when ONNSFA counselors render a decision on your application.
