### **NAVAJO NATION COUNCIL TO MEET FOR BUDGET SESSION**

The Navajo Nation Council is scheduled to meet for its budget session beginning August 30 to September 1, 2006, in Window Rock, Arizona.

The Ethics and Rules Committee of the Navajo Nation Council adopted a proposed agenda today for the budget session as recommended by Speaker Lawrence T. Morgan.

The sole item for consideration is the adoption of the Navajo Nation Fiscal Year 2007 Comprehensive Budget – Legislation No. 0642-06.

The legislation had been assigned to each of the Standing Committees of the Navajo Nation Council after a petition signed by Council delegates asked for such an assignment by the Speaker. The Ethics and Rules Committee was the final committee to consider the legislation, which now goes to Council for final approval.
