### **COUNCIL DELEGATES CONTINUE ANNUAL TRADITION**

Navajo Nation Council delegates will be arriving at the Council's Summer Session the old-fashioned way – by horseback and by wagon.

This is the seventh year that Willie Grayeyes will be heading a horse ride, this year beginning from Navajo Mountain, Utah on July 10. Council delegates from the Eastern Navajo Chapters are also organizing a horse ride to begin July 12 from Huerfano, New Mexico. Both groups will arrive at the Navajo Nation Council Chamber in Window Rock, Arizona, the morning of July 17, 2006.

Also arriving that morning will be 2<sup>nd</sup> Annual Wagon Ride, sponsored by Council delegates Harriet K. Becenti and Alice W. Benally. The wagon ride will begin on July 10 from Nageezi Chapter.

The annual horse rides and wagon ride to the Summer Session give Council delegates the opportunity to visit with the Chapters and the people of the Navajo Nation. The theme for the horse ride is "Honoring the Diné and Their Way of Life."

The tentative schedules for the horse rides and the wagon ride are posted on the Council website at the following web addresses:
