---

**New Tohatchi Chapter President will be Appointed Sunday at  
Tohatchi Chapter House**

WINDOW ROCK, Ariz. - A new Tohatchi Chapter President is scheduled to be appointed Sunday, March 4, 2007, at the Tohatchi Chapter House.

The chapter house meeting is scheduled to begin at 10 a.m., and the appointment of the new chapter president is on the meeting agenda, according to chapter officials.

Edison Wauneka, Executive Director of the Navajo Election Administration, said he's had to clarify confusing and miscommunication from an erroneous news release from the Office of the Speaker.

He said there will be an appointment and presently, there are no candidates officially running for the position of Tohatchi Chapter President.

The Tohatchi Chapter House president's position became vacated when Herman R. Morris was elected to the 21st Navajo Nation Council. Morris represents Naschitti and Tohatchi communities.

The Navajo Election Administration will assist the Tohatchi Chapter with the nomination and appointment of the chapter president position.
