## **Navajo Nation Council Special Session to be streamed live on the web**

**WINDOW ROCK** – The Navajo Nation Council’s special session on Feb. 21, scheduled to begin at 10 a.m., will be streamed live on the web through the Council’s designated USTREAM channel.

“I invite Diné people from all corners of the world to tune into Council’s USTREAM channel to view Council’s proceedings during the Council’s special session,” said Speaker Johnny Naize (Low Mountain, Many Farms, Nazlini, Tachee/Blue Gap, Tselani/Cottonwood).

The special session will be held to address [Legislation No. 0118-13](#), recommending and approving the Navajo Nation chapter’s infrastructure improvement priority projects for FY 2013 through FY 2018, sponsored by Council Delegate Jonathan Hale (Oak Springs, St. Michaels).

The legislation was considered and tabled by the Council during its Winter Session in January. The tabling motion included a directive to allow the delegates additional time to obtain chapter resolutions and documents to be added to the priority listing and to hold a special session no later than 30 days following the Winter Session.
