NNC Delegate Walter Phelps Distributes Backpacks, Blankets and Basketballs to Leupp Community

Cornerstone Ministries, Inc. and World Vision donate items

Leupp, AZ — Last month, Navajo Nation Council Delegate Walter Phelps (Cameron, Coalmine Canyon, Birdsprings, Leupp, Tolani Lake) distributed blankets, basketballs, and eight boxes of backpacks to children living in his southwest Navajo Nation communities. The donation was the result of two charitable organizations dedicated to building “strong families and strong futures.”

“I thank Cornerstone Ministries, Inc., and World Vision for the donation that helps enforce the importance of getting a good education and staying healthy by keeping active on the basketball court,” said Delegate Phelps. “The children of the Navajo Nation face many challenges and as they grow, this equipment will help them “keep an eye on the ball.”

Cornerstone Ministries, Inc. (CMI), based in Smith Lake, New Mexico, is working with Christian pastors of All Nations to improve the lives of Native Americans living on the Navajo Nation.

World Vision is a Christian humanitarian organization dedicated to working with children, families, and their communities worldwide reach their full potential by tackling the causes of poverty and injustice. We serve the world's poor -- regardless of religion, race, ethnicity or gender.
