FOR IMMEDIATE RELEASE

Speaker Morgan announces Oct. 25 Special Session agenda

WINDOW ROCK, Ariz. – The Honorable Speaker Lawrence T. Morgan announced the agenda for a Navajo Nation Council Special Session, which is scheduled to convene on Monday, Oct. 25 at the Navajo Nation Council Chamber.

The Special Session will begin in the afternoon, following a work session in the morning. A separate agenda will be prepared for the work session.

The Special Session has two legislative items under new business. The agenda has no items listed under old business and reports.

Honorable Leonard Chee (Birdsprings/Leupp/Tolani Lake), vice chairman for the Budget and Finance Committee, is sponsoring two pieces of legislation related to gaming on the Navajo Nation.

The first legislation (Legislation No. 0631-10), if passed, would require amending Title 12 §1608 of the Navajo Nation to enact the Gaming Development Fund Amendments Act of 2010.

Mr. Chee is cosponsoring the second legislation (Legislation No. 0677-10) with Honorable Jerry Freddie (Dilcon/Teesto). This legislation, if passed, would acknowledge the selection and pending placement of the Twin Arrows Parcel into trust status for the benefit of the Navajo Nation. The passage of the legislation would annex the Twin Arrows Parcel into the Leupp Chapter.
