All residents should practice health and safety measures:

- Get vaccinated.
- Wear a mask in the public.
- Avoid close contact with people who are sick.
- Wash your hands often with soap and water for at least 20 seconds. If soap and water are not available, use a hand sanitizer that contains at least 60% alcohol.
- Clean and disinfect frequently touched surfaces daily.
- Avoid touching your face, nose, and eyes with unwashed hands.
- Clean and disinfect your vehicle, home, workspace and other common areas on a regular basis.
- Social distance - keep 6 feet between yourself and others.
- Limit gatherings with individuals outside your immediate household.
