## Hardship Assistance Program applications being distributed

**WINDOW ROCK, Ariz.** — The Navajo Nation Office of the Controller continues distribution of the CARES Act Hardship Assistance Program paper applications to all participating Navajo Nation Chapters.

Today, a second round of 48,000 additional paper applications were distributed and provided to the eight regional Administrative Service Center (ASC) locations to coordinate delivery to chapters, in addition to several Navajo Nation Divisions.

A third distribution will be made Oct. 29 and Oct. 30 with 152,000 copies distributed directly to chapters, divisions and other collection points in advance of the official launch of the application period Nov. 2.

On Nov. 2, the application portal link for online applications will be available on the Navajo Nation's website, [www.navajo-nsn.gov](http://www.navajo-nsn.gov), and on the Office of the Controller's website, [www.nnooc.org](http://www.nnooc.org).

As a reminder, this week's paper applications are for Navajo elderly 65-years and older and for individuals with special needs that cannot fill out the application online. Beginning Nov. 2, paper applications can continue to be used for elders, individuals with special needs and for members unable to file an application online. It is recommended everyone who is able to apply online do so opposed to filling out a paper application. The program is not first come first serve and every application will be provided equal consideration.
