Statement By President Begaye Concerning Governor Ducey and Senator McCain's Visit To [Window Rock](#)

"On behalf of the entire Navajo Nation, I want to thank Governor Ducey, Senator McCain, Secretary of State Regan, Arizona Speaker Gowan, Senate President Biggs and Senator Begay for coming to Window Rock to celebrate our Code Talkers as well as to discuss the San Juan River crisis caused by the Gold King Mine. Governor Ducey and Senator McCain are once again demonstrating their commitment to every member of the Navajo Nation by coming here. Today is a national day of celebration and pride for the significant role that our Navajo Code Talkers played during World War II and we are pleased that the Arizona political leadership was here to join us in honoring our Nation's greatest warriors.
