Input sought from the Navajo people regarding public meetings conducted via telecommunications

WINDOW ROCK, Ariz. — Navajo Nation President Jonathan Nez and Vice President Myron Lizer are requesting input from the Navajo people for Resolution CJY-66-20, which was approved by the 24th Navajo Nation Council by a vote of 22-0 during a special session held on July 30, 2020. If signed into law, the resolution would continue to allow chapters, chapter subcommittees, agency councils, veterans organizations, community land use planning committees, and regional and district councils to conduct official meetings via teleconference, as opposed to meeting in-person due to concerns over COVID-19, also known as the novel coronavirus.

“I strongly believe that the health and well-being of all of our Navajo people is always the top priority. After the COVID-19 pandemic began on the Navajo Nation, these governing bodies were authorized to conduct their meetings through conference calls and video conferencing. Since then, the Navajo people have expressed many concerns over the lack of transparency, public notifications, and other issues related to how and when the Navajo people are notified of public meetings and how they are conducted. Many shared their concerns with our administration as we visited the 110 chapters in recent months. There seems to be an overall sense that many governing bodies are not complying with the 48-hour public notice of meetings and that many issues are being decided without transparency and without input from many of our Navajo citizens,” said President Nez.

Because the bill was introduced as an “emergency legislation,” it was not made available for the regular five-day public comment period and was not considered or debated on by any of the Council’s Standing Committees. President Nez has until Aug. 10 to consider the resolution.

“We want full transparency every level of government and that begins with ensuring that the people are adequately notified of public meetings and have full access to participating in those meetings. At the local level, many decisions are being made by a small number of people in many situations. For these reasons, it’s important that we provide the opportunity for our people to submit comments to help guide us in deciding whether or not to approve the resolution passed by the Council,” added President Nez.

In accordance with 26 N.N.C., chapters are required to provide 48-hour advance notice of public meetings and to make every effort to allow the entire chapter membership the opportunity to call-in and access meetings. Resolution CJY-66-20 states that stipends that are provided for in-person meetings with regard to Chapter subcommittees, community land use planning committees, and agency, regional and district councils and veterans agency meetings are to apply to teleconference meetings.

“Local governing officials are receiving stipends for their hard work and all we ask is that the Navajo people are provided every opportunity to access and participate in these public meetings. We want to know how are people feel about Resolution CJY-66-20 and also how local governing bodies should improve on notifying the public and making it easier to access these meetings. We will review the public comments as we consider this resolution,” stated Vice President Lizer.

Resolution CJY-66-20 is available online at: <https://www.opvp.navajo-nsn.gov/Portals/0/FILES/Latest%20News/CJY-66-20.unsigned.pdf?ver=CAGPxMkeqMyeeh4MmlgrJg%3d%3d×tamp=1596385385474>

The Office of the President and Vice President will accept written comments submitted on or before Sunday, August 9, 2020, by e-mail to nnopvp.communications@gmail.com or mailed to P.O. Box 7440, Window Rock, Arizona, 86515. Please clearly indicate your full name, chapter affiliation, and reference to Resolution CJY-66-20.

RESOLUTION OF THE
NAVAJO NATION COUNCIL
24th NAVAJO NATION COUNCIL - SECOND YEAR, 2020

AN ACTION

RELATING TO AN EMERGENCY; APPROVING MEETINGS THROUGH TELECOMMUNICATIONS FOR CHAPTER SUBCOMMITTEES, COMMUNITY LAND USE PLANNING COMMITTEES, AGENCY, REGIONAL AND DISTRICT COUNCILS, CHAPTERS AND AGENCY VETERANS ORGANIZATIONS

BE IT ENACTED:

SECTION ONE. AUTHORITY

- A. The Navajo Nation Council is the governing of body of the Navajo Nation. 2 N.N.C. § 102(A).
- B. Pursuant to 2 N.N.C. §164 (A)(16) "[m]atters constituting an emergency shall be limited to the cessation of law enforcement services, and disaster relief services, fire protection services or other direct services required as an entitlement under Navajo Nation or Federal law, or which directly threaten the sovereignty of the Navajo Nation. Such an emergency matter must arise due to the pressing public need for such resolution(s) and must be a matter requiring final action by the Council."
- C. This matter constitutes an emergency for the Navajo Nation because despite the novel coronavirus ("COVID-19") pandemic, Chapter subcommittees, Community Land Use Planning Committees, and Agency, Regional and District Councils of the Navajo Nation must continue to conduct business while maintaining the appropriate physical distancing. The ability to continue governmental operations is an inherent attribute of the Navajo Nation's sovereignty.

SECTION TWO. FINDINGS

- A. COVID-19 is a dangerous and extremely contagious respiratory virus. The virus is pandemic and has reached the Navajo Nation. COVID-19 is spreading at an alarming rate within the Navajo Nation; as of July 15, 2020, the Navajo Nation has reported 8,370 cases of COVID-19 and 406 related deaths.
- B. The World Health Organization declared a Public Health Emergency of International Concern on January 30, 2020; the United States Department of Health and Human Services declared

a Public Health Emergency related to the COVID-19 outbreak on January 31, 2020; and the World Health Organization officially declared a pandemic due to COVID-19 on March 11, 2020.

- C. On March 11, 2020, the Navajo Nation Commission on Emergency Management, with the concurrence of the Navajo Nation President and Vice President, declared a Public Health State of Emergency on the Navajo Nation due to the presence of COVID-19 in areas surrounding the Navajo Nation. Resolution No. CEM 20-03-11. The President and Commission have issued other Public Health Emergency Orders: including: Order No. 2020-001 dated March 18, 2020 (declaring the outbreak of COVID-19 and limiting mass gatherings); Order No. 2020-002 dated March 19, 2020 (quarantining the Chilchinbeto Community); Order No. 2020-003 dated March 20, 2020 (ordering individuals living on the Navajo Nation to stay home and shelter in place except for essential activities, prohibiting visitors to the Navajo Nation, and closing all businesses on the Navajo Nation except essential businesses); Order No. 2020-004 dated March 29, 2020 (implementing a daily curfew from 8:00 p.m. to 5:00 a.m. for all Navajo Nation residents, extending the shelter in place order, and further limiting public gatherings); Order No. 2020-005 dated April 5, 2020 (implementing a 57-hour weekend curfew on April 10-13); Order No. 2020-006 dated April 16, 2020 (extending the weekend curfew for April 17-20 and April 24-27, and closing Navajo Nation essential businesses during curfew hours); Order No. 2020-007 (requiring face masks in public); and Order No. 2020-008 dated April 29, 2020 (extending the weekend curfew to May 11). The Navajo Nation Office of the President and Vice President issued Executive Order 002-20 on March 31, 2020 (closing all Navajo Nation offices except essential personnel through April 21); and Executive Order 003-20 on April 21, 2020 (extending the closure order to May 17, 2020).
- D. There likely will be other orders issued as the risks of the spread of COVID-19 continues.
- E. The Chapter subcommittees, Community Land Use Planning Committees, and Agency, Regional and District Councils, Chapters and Agency Veterans Organizations should be authorized to meet telephonically to effectively address issues including how to prepare for and manage resources under the Navajo Nation CARES Fund. Supporting resolution of the Commission on Navajo Government Development is attached as **Exhibit A**.

- F. It is in the best interests of the Navajo Nation that Chapter subcommittees, Community Land Use Planning Committees, and Agency, Regional and District Councils, Chapters and Agency Veterans Organizations be allowed, or otherwise ordered to conduct all meetings through telecommunications methods.

SECTION THREE. APPROVING MEETINGS BY TELECOMMUNICATION METHODS FOR CHAPTER SUBCOMMITTEES, COMMUNITY LAND USE PLANNING COMMITTEES, AND AGENCY, REGIONAL AND DISTRICT COUNCILS, CHAPTERS AND AGENCY VETERANS ORGANIZATIONS

- A. Until the COVID-19 Declaration of Emergency is lifted, or unless the Navajo Nation Council determines otherwise, the Navajo Nation hereby approves telecommunications methods for the conduct of meetings of meetings for Chapter subcommittees, Community Land Use Planning Committees, and Agency, Regional and District Councils.
- B. The Navajo Nation Council hereby acknowledges that the Chapters are to abide by the 48-hour meeting notice pursuant to 26 N.N.C. § 1002 (B). The Chapters are to make every effort to notify their community members of the telephonic or video conferencing call in numbers to allow Chapter membership to call in to the Chapter meetings. Such notice may be posted on the Chapter website and/or in other locations. The Navajo Nation Council hereby further acknowledges that the Chapters are to abide by 26 N.N.C. § 1001 (B)(1)(m) which require chapter officials to "[w]ork closely with council members, chapter elected officials, committees and other concerned groups or agencies." The chapter officials, therefore, are reminded of the 26 N.N.C. § 1001 (B)(1)(m) requirements.
- C. The stipends that are provided for in-person meetings with regard to Chapter subcommittees, Community land Use Planning Committees, and Agency, Regional and District Councils and Veterans Agency meetings are to apply to teleconference meetings.

SECTION FOUR. EFFECTIVE DATE

The provisions of this Action shall become effective pursuant to 2 N.N.C. § 221 (B).
