FOR IMMEDIATE RELEASE
December 27, 2021

12 new cases, 39,230 recoveries, and no deaths related to COVID-19, 30 communities identified with uncontrolled spread

WINDOW ROCK, Ariz. – On Monday, the Navajo Department of Health, in coordination with the Navajo Epidemiology Center and the Navajo Area Indian Health Service, reported 12 new COVID-19 cases for the Navajo Nation and no recent deaths. The total number of deaths remains 1,583. The report indicates that 39,230 individuals have recovered from COVID-19. 412,781 COVID-19 tests have been administered. The overall total number of positive COVID-19 cases is now 41,068, including 21 delayed reported cases.

Navajo Nation COVID-19 positive cases by Service Unit:

- Chinle Service Unit: 7,308
- Crownpoint Service Unit: 3,913
- Ft. Defiance Service Unit: 4,743
- Gallup Service Unit: 6,737
* 22 residences with COVID-19 positive cases are not specific enough to place them accurately in a Service Unit.

On Monday, the state of Arizona reported 7,641 new cases, which includes delayed reported cases due to the recent holiday. The state of Utah reported 4,645 new cases, and New Mexico reported 3,309, which includes case numbers from Dec. 23 through Monday. Based on cases from Dec. 10 to Dec. 23, 2021, the Navajo Department of Health issued a Health Advisory Notice for the following 30 communities due to uncontrolled spread of COVID-19:

- Bread Springs
- Cameron
- Casamero Lake
- Chichiltah
- Chinle
- Crownpoint
- Ganado
- Hogback
- Indian Wells
- Jeddito
- Kaibeto
- Kayenta
- Leupp
- Low Mountain
- Many Farms
- Nenahnezad
- Pinedale
- Pinon
- Red Mesa
- Rock Springs
- Sanostee
- Shiprock
- St. Michaels
- Tachee/Blue Gap
- Tselani/Cottonwood
- Tuba City
- Two Grey Hills
- Thoreau
- Tohatchi
- Tsaile/Wheatfields
- Navajo Nation President Jonathan Nez.

Health care facilities across the Navajo Nation continue to administer COVID-19 vaccines. If you would like to receive one of the COVID-19 vaccines, please contact your health care provider and schedule an appointment.

“The more precautions we take to protect ourselves and others, the less burden we place on our health care workers and first responders. We have to remain diligent and do everything we can to save lives and reduce the spread of COVID-19. Please be safe, take precautions, and keep praying for our people,” said Vice President Myron Lizer.

Navajo Department of Health
Health Advisory Notice (HAN)
COVID-19 Community Advisory No. 58 — Safety Precautions

WINDOW ROCK, AZ – The Navajo Health Command Operations Center is issuing uncontrolled spread of COVID-19 advisory for the following communities. The cases reflect dates December 10, 2021 – December 23, 2021. The advisory will be in effect until the risk and cases decline.

The following communities are identified as having uncontrolled spread of COVID-19:

| Bread Springs | Ganado | Leupp | Red Mesa | Thoreau |
| Cameron       | Hogback| Low Mountain | Rock Springs | Tohatchi |
| Casamero Lake | Indian Wells | Many Farms | Sanostee | Tsai/Weathfields |
| Chichiltah    | Jeddito | Nenahnezad | Shiprock | Tselani/Cottonwood |
| Chinle        | Kaibeto | Pinedale | St. Michaels | Tuba City |
| Crownpoint    | Kayenta | Pinon | Tachee/Blue Gap | Two Grey Hills |

*Schools serving these communities need to implement layers of mitigation to meet the high level of COVID-19 community transmission.*

All residents should take precautions to protect their health from the spread of COVID-19. Individuals with the following conditions are at higher risk of being affected from COVID-19.

All residents should practice health and safety measures:

- Get vaccinated.
- Wear a mask in the public.
- Avoid close contact with people who are sick.
- Wash your hands often with soap and water for at least 20 seconds. If soap and water are not available, use a hand sanitizer that contains at least 60% alcohol.
• Clean and disinfect frequently touched surfaces daily.
• Avoid touching your face, nose, and eyes with unwashed hands.
• Clean and disinfect your vehicle, home, workspace and other common areas on a regular basis.
• Social distance - keep 6 feet between yourself and others.
• Limit gatherings with individuals outside your immediate household.
