**Navajo Nation anticipates \$14.9 million in
Capital Outlay Funds from the State of New Mexico**

WINDOW ROCK, Ariz. – Navajo Nation President Jonathan Nez and Vice President Myron Lizer extend their appreciation to the New Mexico State Legislature and Gov. Michelle Lujan Grisham for working together with the Navajo Nation in support of House Bill 285, which was approved recently by New Mexico lawmakers. If signed into law, the measure would provide approximately \$14.9 million in Capital Outlay Funds for Navajo chapters located in the state of New Mexico.

“On behalf of our communities in the state of New Mexico, I extend my appreciation and gratitude to the New Mexico State Legislature for supporting these much-needed projects and initiatives. I also thank the members of the 24th Navajo Nation Council and all of the Chapter officials for their advocacy and support during the recent state legislative session. We know there are many needs throughout the state that require funding and it is no different here on the Navajo Nation. We thank Gov. Lujan Grisham for all of her support on many issues throughout the legislative session and we respectfully ask her to sign H.B. 285 into law to provide additional funds,” said President Nez.

Throughout the New Mexico State Legislature’s 60-day session, President Nez, Vice President Lizer, and the 24th Navajo Nation Council met virtually with state lawmakers on several occasions to advocate for the approval of Capital Outlay Funds.

“When we work together, we accomplish great things for our Navajo people. The Office of the President and Vice President advocated strongly for the Capital Outlay Funds as well as reauthorizations for chapters. We are eager to continue working together to complete more projects that will bring long-term benefits for Navajo families and our communities,” stated Vice President Lizer.

In addition, the New Mexico State Legislature reauthorized a total of 21 capital outlay projects from previous years for the Navajo Nation. New Mexico Gov. Michelle Lujan Grisham has until April 9 to consider House Bill 285. The \$14.9 million project listing for the Navajo Nation includes the following:
