GET PAID TO WORK AS A POLL WORKER!

Poll workers are **essential** to our democracy. They play a crucial role in ensuring our elections run smoothly. Poll workers set up voting locations, guide voters through the voting process, and help guard the integrity of our elections.

By serving as a poll worker for the August 4, 2020 Primary Election and/or November 3, 2020 General Election, you can step up for our democracy and help ensure access to the right to vote on the Navajo Nation.

To serve as a poll worker, you must be a registered voter in the county you serve in and complete training required by your county election officials. Poll workers receive training and payment from their county. Pay rate varies from county to county.
