**Public Health Emergency Order No. 2021-011**

**Public Health Emergency Order Continuing “Yellow Status” for Businesses**

- I. Paragraphs I – IX from Public Health Emergency Order No. 2020-004 are incorporated herein, addressing the various Navajo Nation (Nation) authorities related to the current COVID-19 Public Health Emergency as well as escalating incidents and community spread of COVID-19 on the Nation.
- II. In response to COVID-19, the Navajo Nation has established the “Navajo Nation Reopening Plan,” to declare the Nation’s “status” according thereto, and to guide businesses in proper compliance with the plan. All provisions of this Order are to be interpreted to effectuate this intent. Failure to comply with any provision of this Order constitutes an imminent threat and menace to public health.
- III. The Navajo Nation is experiencing a plateau of low cases, with a slowed infection rate and no sustained rebound. The Nation remains vigilant as neighboring states are reducing restrictions rapidly and new COVID variants are present and being monitored in states surrounding the Navajo Nation. As coronavirus vaccines are being made available on the Navajo Nation, all preventative precautions should continue to be adhered to after receiving the vaccine. The Navajo Nation recently documented cases of COVID-19 UK variant (B.1.1.7) and California variant (B.1.429) within the Navajo Nation. According to the CDC, these variants seem to spread more easily and quickly.
- IV. Pursuant to Navajo Nation Resolution No. CMA-16-20, the Nation’s roads remain closed to Visitors for the duration of the declared public health emergency, and Visitors are advised to refrain from traveling to the Navajo Nation. Tribal parks will not be accessible to Visitors and Tourists during this time. Visitors and Tourists will be informed when the Navajo Nation can safely welcome Visitors back to the Nation.

**THEREFORE, NOTICE IS GIVEN** that pursuant to the power and authority set forth in the NDOH enabling legislation (NNC Resolution No. CO-50-14) and in conjunction with the Navajo Nation Public Health State of Emergency Declaration (CEM Resolution No. 20-03-11):

- B. Per the Plan's "reopening status schedule," the Navajo Health Command and Operations Center ("NHCOC"), having evaluated the current state of the Navajo Nation per the gating criteria and public health considerations provided in the Plan, declares the Nation to continue in **Yellow status**. All businesses shall be bound to the conditions and requirements of Yellow status. The NHCOC will announce any future status changes by Public Health Emergency Order.
